Live RED Staff Award

Congratulations to Geco Ross for being the staff Live RED recipient for the month of May. His nomination reads:

To Live RED encompasses many characteristics that are found in a new district employee, Mr. Geco Ross. Mr. Ross began his role as Assistant Principal at South Livingston Elementary in August of 2018, and he certainly hit the ground running to learn his new position. He brought fresh ideas to the school which generated excitement in students and staff alike. He helped revamp the Mustang Buck system used to reward exemplary achievements from students. His PBIS Celebrations are becoming legendary. Mr. Ross assisted staff in making improvements to RtI in a variety of ways. Mr. Ross created a space for staff to become immersed in student data and to access the wealth of resources that had previously been stored all around the school. Consolidating all of that information into one location helped provide efficiency that was needed. He has led with humor, consistency, compassion, and always with high expectations. SLES is proud to have Mr. Geco Ross as our Assistant Principal. He is certainly someone who strives to Reach Excellence Daily and should be celebrated.

Family First

One of the responsibilities of Family First is to provide early learning experiences for children and families that promote growth, education and successful transition into school. Over the past few years we have been partially achieving this goal through bornlearning workshops for families. These workshops provide meaningful parent information and a fun family environment. This Friday night, May 11th, was our final bornlearning workshop for the year. We, along with other members of the Community Early Childhood Council, provided a festive carnival-like atmosphere packed with helpful information, resources, and lots of fun activities. These activities included a petting zoo, a host of exciting characters posing for meet and greet pictures, and great door prizes.

Next year our efforts will include an exciting new Parent Café, which involves intentional and guided conversations that are designed to build protective factors and parent leadership. These Parent Cafes have proven to be very successful in other areas of the country. We are excited about bringing them to our families.

Grant News

Congratulations to all of our grant award winners this month:

Mr. Hawkins (LCMS): California Casualty Athletics Grant, \$1,000 toward sports equipment

Livingston County CECC (district): Kids Now, \$5,100 toward Kindergarten readiness and family engagement activities

Food Services (LCHS): FY18 Equipment Assistance, \$15,560 toward serving line update

English Dept (LCHS): NEA Student Achievement Grant, \$5,000 toward Chromebooks

District: Striving Reader Comprehensive Literacy Grant, \$440,000 to implement a District wide literacy plan

The Novice Reduction Grant, a request for \$17,150 on behalf of LCHS to implement a summer novice reduction program

Please continue to keep the LCE Foundation in mind as you shop Amazon Smile and at Kroger. Thank you!

North Livingston

Pam Hardin, Roberta Harris and Sylvia Doyle coordinated a History Day for our 5th grade students. They visited the Justice Center in Smithland, heard guest speakers and participated in hands-on projects throughout the day. Guest speakers included Chautauqua character Jemima Boone and author, Eddie Price.

Jennifer Van Waes and Holly Bloodworth, from WKEC, visited classrooms again in April to model lessons and provide helpful information for teachers.

We held a Proficient/Distinguished Dinner to recognize the scholars who scored proficient or distinguished on last year's KPREP. We took this opportunity to also thank the families for being a great support to their children! Scholars were excited to walk along the red carpet that featured their names.

Sunny Money visited NLES for the last time this year. Farmer's Bank held a drawing that included all of the scholars who participated in Sunny Money this year. Hayden Hurley, 3rd grader, received a \$50 Visa Card!

Preschool students took a field trip to the LBL Nature Station.

Betty Brantley, children's author, visited NLES and shared her book, Little Miss Bully, with scholars. She gave away a book, coloring book and colored pencils to Summer McGinnis and Kory Adams. Congratulations to these scholars!

Scholars have collected trading cards from the Sheriff's Office all year long. Those scholars who had at least 12 cards were entered into a drawing for a \$50 gift certificate. Collin Chittenden was the winner!

The following scholars will be participating at the 4-H Area Communications Contest:

Laken Davis, Miley Johnson, Josie Taylor, Blaire Champion

We held a Hat Day and raised \$104.57 for Special Olympics. Kai Yang Duong will be representing Livingston County in the state competition this summer. Good Luck Kai!

Our Testing Pep Rally was the Friday before testing. We continued our Building a Bright Future theme with a Cup Stacking Competition, Block Building Competition and Building a Paper Airplane Contest among scholars. The staff were involved with a friendly Building a House of Cards Competition. The LCMS Cheerleaders came and cheered us on and the LCMS Yearbook students shared testing tips with students. Zoey Hodge, 4th grade scholar who scored distinguished on all areas last year, gave a motivational talk to the other scholars! Scholars left ready to face KPREP!

We celebrated and recognized our staff during Staff Appreciation Week with lots of food throughout the week! Thank you to our PTO and Board of Education for providing us with a lunch!

On Monday, May 14, we will be celebrating scholar's efforts during testing. The Coast Guard, out of Paducah, will be grilling for us and students will be participating in games that afternoon. We will also be showing appreciation to our volunteers on Monday by inviting them to join us for lunch.

Mrs. Powell is taking the top Accelerated Reader scholars on a field trip to Patti's golf and the library.

Our PTO is sponsoring Field Day on May 16 with lots of water inflatables.
